

STACHE

About Us

OUR TEAM

The Stache Team is made up of a unique group of individuals that each bring their dedication and love for the industry into everything they do.

Stache 's main goal is dedication to our customers.

We want everyone who supports Stache to always feel heard and supported.

Our customers are the reason we can continue to *Design. Create. Innovate* new products.

We wouldn't be here with out your support.

OUR MISSION

Our mission is to Design. Create. Innovate products for the modern day consumer.

Our priority is to streamline the consumption process by bringing each customer convenience, affordability, and portability.
